

New York State Parks, Recreation and Historic Preservation

The Friends of the Nature Center recently partnered with the State of New York to renovate and enlarge the Minna Antony Common Nature Center. Purchasing a brick or leaf for you or a loved one is a wonderful way to give an enduring gift while supporting nature education. Proceeds from your purchase of a brick or leaf will go to a sustainability fund to ensure future maintenance, replacement, and improvement of these exhibits.

Mission Statement:

The Friends of the Minna Anthony Common Nature Center support environmental education programming that fosters conservation of local ecosystems, encourages outdoor recreation, and inspires our visitors to develop an increased respect for the natural world.

I/We are interested in a naming opportunity:
